The Surrey Urban Farmers Market Association is committed to improving access to local produce and food producers. For several years, the SUFM has brought a wide variety of food producers, farmers, and artisans together in North Surrey.

A true community meeting place, the SUFM hosts live music each week and provides a shopping experience that is truly unique allowing farmers, producers and customers to meet face to face.

The SUFM also runs a number of programs including a Food Nutrition Coupon Program, workshops about growing food, and smaller community markets.

For more information on the market or to get involved, please contact us. We would love to hear from you.
